NSI signs agreement with AbbVie in HNK Hoofddorp

Hoofddorp, 16 September 2014 – NSI N.V. (“NSI”) has signed a 5 year contract with AbbVie B.V. for approx. 380 sqm in HNK Hoofddorp. Abbvie has specifically chosen for HNK Hoofddorp because of the benefits of the concept, including the look and feel and the amenities, as well as the location. The HNK concept anticipates the growing demand for flexibility and full service in the Dutch office market. With this concept, NSI offers ‘managed offices’ (fully equipped office units), memberships and ‘custom made offices’.

HNK is the ultimate (net)working location for every type of business, from freelancers, SMEs and multinationals. The concept perfectly caters the need for working, meeting and leasing efficiently. The tenant rents exactly the space and facilities he needs, for the duration that suits his business plan.
