

PRESS RELEASE

NSI signs rental agreement with Mapscape in Eindhoven

Hoofddorp, 16 January 2014 – NSI N.V. (“NSI”) has signed a 10-year rental agreement with Mapscape B.V. (Mapscape) for office property “Black Box” in Eindhoven, involving approx. 2,000 sqm, taking effect as per 1 January.

The property is located on the Luchthavenweg 34, near by Eindhoven Airport. Mapscape has chosen for this location because of its strategic position and the opportunities the property provides to anticipate the company’s long-term housing requirements. Mapscape will adjust the office to its needs and will move in around mid -2014. The property is fully let through this transaction.

About NSI

NSI aims to create a sustainable return for private and institutional investors by investing in high quality offices and retail locations that offer tenants suitable business accommodation, allowing them to run their business successfully. NSI invests in offices and retail in high-quality locations in the Netherlands and Belgium. NSI is a publicly listed closed-end real estate investment company with a variable capital, and post-merger manages invested assets of around €1.9 billion.

About Netscape

Mapscape is an independent, highly experienced digital service provider around location based content including digital maps. Years of experience in the automotive world is translated into flexible and high quality B2B services and solutions to customers like automotive companies, embedded system suppliers, data suppliers, navigation system suppliers and governments. Mapscape has its roots in Europe but operates worldwide. Compiling, aggregating and testing data is their core business.
